REQUITAL AND HASTINGS TO MEA-SURE STRIDES TO-DAY. The Fries the Most Valuable of the Year for Three-year-olds-Requited In the favorite-A Good Programme for the (losing Bay of the C. I. J. C. Meet, The Realization Stakes, the chief prize of the The Realisation Stakes, the chief prime of the year for three-year-olds, and the second part of the Double Event will bring the spring meeting of the Coney Island Jockey Club to a most ampleious close to-day.

The field for the Realisation is larger than the form the form

usual, but, from the form shown by the contestants of late, Requital, Hastings, and contestants of inter-Counsellor Howe will have the fight to them-selves. Requital is favorite, and he deserves to be, as he has shown splendid form in ba, as he has shown splended form in public as well as in private, and the friends of the Messra. Thompson and Trainer Rows will be most grisvously disappointed if the fleet son of Eothen falls to get home in front. Requital was the kingpin of the two-year-olds in 1895, and his admirers think that he can beat any three-year-old in the pountry at any distance. His last work for the Realization was better and faster than that of any of the other candidates.

Hastings is certain to start, as he breezed s mile and a half in 3:02 yesterday morning and pulled up without any indication of soreness. Three weeks ago the chances were very much in favor of Hastings going to the post first choice, but since then the fast son of Spendthrift and Cinderella has been under the weather, and at one time it was decided not to part him at all. The final work which was to determine whether he should go to the post or not found him a much better horse than Trainer Hyland expected he would be, and so it was deelded to take a chance with him. Counsellor Howe may be another Daily Amer-

les and throw down the favorites as the Trouadour-Sunbeam colt did in Sir Walter's year. The Counsellor is improving steadily and has tone everything his owner-trainer has asked of him. Ho gets all the allowances, and Donohue has told his friends that he stands a great chance has told his friends that he stands a great chance to win the big stake.

The Double Event may show another Rich-mond in the two-year-old division. These youngsters beat each other so often that it is exceedingly hard to get a line on them. The en-tries in full follow:
